

Daycare is provided from 3:00 p.m. to 6:00 p.m. each day during summer after Mini-Camp in June and Traditional Summer Camp in July, with the exception of July 5th. Dismissal from Mini-Camp and traditional Summer Camp begins promptly at 3:00 p.m. There will be a 10 minute grace period before Daycare policies and charges apply. All children on campus will be escorted to Daycare at 3:10 on the grassy area.

Daycare services are available on a pre-purchase plan. Also, Turning Point is able to pass along the savings to parents who are frequent users of the service. Money for any unused time is rolled over to the following school year. Previous pre-paid days may also be rolled into summer Daycare.

We have noted that even those parents who normally do not need the daycare service are often caught in traffic or are otherwise prevented from picking up their child at the expected time. Pre-purchasing days will ensure that your child will be supervised at our Daycare program so that you will not need to worry about rushing through traffic snarls or finding last-minute child care.

Daycare fees are described as follows:

Number of Days	Fee per day
1-37	\$20
38	\$18

.....
Please detach here and return, with payment, and enclose with summer applications.
